Login: 7:45 – 8:00 am • Workshop: 8:00 – 10:00 am
Virtual – WebEx

TARGET AUDIENCE

Advanced Practice Providers employed by Dartmouth Health and who have experience with APP precepting would like to be more advanced in their precepting practice.

OVERVIEW

This online workshop is designed to refine and advance the essential skills and techniques for experienced preceptors for successful and fulfilling precepting of Advanced Practice Provider (APP) students. By participating, you'll gain practical knowledge through real-life examples and have ample time for interactive discussions, enhancing your precepting abilities.

LEARNING OBJECTIVE(S)

At the conclusion of this learning activity, participants will be able to:

1. Demonstrate self-assessment of readiness to offer an advanced precepting experience.
2. Describe two of the processes within DH for setting up a precepting experience, including the preceptor's necessary checks to ensure that the process has been completed.
3. Describe summative and formative strategies for effectively providing feedback to students.

REGISTRATION

The registration fee is waived.

Advance registration is required for planning purposes. Please make every

effort to register seven (7) business days in advance of the learning activity. We will not accept walk-in or late registrants on the day of the learning activity.
