Auditorium H and WebEx

Dartmouth Hitchcock Medical Center, Lebanon, NH

12:00 pm – 1:00 pm ~ Log on 11:50 am

Description:

Healthcare teams often lack a shared framework for addressing ethical challenges in practice, leading to variability in decision-making, moral distress, and inconsistent patient-centered care. This activity is designed to strengthen the ability of all nurses to collaboratively apply care ethics in fostering an ethical environment

Learning Objective(s) - At the conclusion of this learning activity, participants will be able to:

1. Describe care ethics, including its role in fostering an ethical healthcare environment.
2. Apply the phases of caring to both leadership and frontline nursing practice.
3. Identify how such a framework can assist in identifying team-based strategies to promote ethical responsiveness, reduce moral distress, and strengthen ethical climate.

Accreditation

In support of improving patient care, Dartmouth Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Dartmouth Health designates this live activity for a maximum of 1.0 ANCC contact hour.
