Registration & Conference Agenda

KEYNOTE SESSION
Friday, Jan 22 at 7:00 PM

Join us for a keynote presentation by Dr. Stacy Lindau, a physician-scientist at the University of Chicago and nationally recognized leader in addressing social drivers of health. Dr. Lindau directs the Program in Integrative Sexual Medicine (PRISM), which advances clinical care and research on female sexual function in the context of aging and illness, and the South Side Health and Vitality Studies (SSHVS), which examines population-level health and well-being. Drawing on her research and experience developing CommunityRx, Dr. Lindau will explore practical approaches to integrating social care into primary care, connecting patients with social resources, and strengthening partnerships between health systems and communities to improve health outcomes.

Learning Objectives: At the conclusion of this learning activity, participants will be able to:

1. Identify social drivers of health that may affect health outcomes and access to care within their patient populations.
2. Apply evidence-informed strategies to address identified social needs through primary care workflows, community partnerships, and interdisciplinary collaboration.
3. Disseminate quality improvement and research project learnings that can advance clinical care, practice improvement, provider well-being, or health outcomes in primary care or community settings.

Accreditation:
In support of improving patient care, Dartmouth Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

American Medical Association (AMA)
Dartmouth Health designates this live activity for a maximum of 13.0 *AMA PRA Category I* credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Nurses Credentialing Center (ANCC)
Dartmouth Health designates this live activity for a maximum of 13.0 ANCC contact hours.

Association of Social Work Boards (ASWB)
As a Jointly Accredited Organization, Dartmouth Health is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 13.00 general continuing education credits.

All other learners may claim CME-designated participation credit. Consult your professional licensing board regarding the applicability and acceptance of CME-designated participation credit for programs certified for credit by organizations accredited by Joint Accreditation for Interprofessional Education.
