

# Universal Precautions for Opioid Prescribing and Buprenorphine as a first-line consideration for Pain Management and Opioid Use Disorder

**Monday, March 20, 2023**

Registration: 7:30 – 8:00 am

Conference: 8:00 am – 12:15 pm

Auditoria C and D, Dartmouth Hitchcock Medical Center, Lebanon, NH

Virtual – WebEx

## OVERVIEW

In this seminar, advanced practice providers and physicians will acquire knowledge and skills about universal precautions in opioid prescribing in any clinical setting. We will also address the use of buprenorphine for pain management and opioid use disorder.

## LEARNING OBJECTIVES

- Discuss the use of universal precautions in opioid prescribing for pain.
- Describe the unique pharmacologic properties of **buprenorphine**.
- Describe the use of various formulations, indications, and contraindications for the use of **buprenorphine** to treat pain.
- Identify patients that may benefit from the use of **buprenorphine**.
- Recognize **unconscious biases** that may contribute to stigmatizing care.
- Incorporate **harm reduction and trauma-informed care** strategies into your practice.
- Implement strategies to increase confidence in prescribing and managing **buprenorphine** therapeutic regimens across care settings.

## LEARNING OUTCOME

At the conclusion of this program, 100% of learners will be able to discuss two changes in the way they care for some patients who have pain including identifying the components of universal precautions in opioid prescribing and increasing the use of buprenorphine in the care of patients with pain, complex persistent opioid use and opioid use disorder.

## REGISTRATION

The registration fee is \$25. Dartmouth Hitchcock Medical Center and Clinics employees fee is waived.

Advance registration is required for planning purposes. Please make every effort to register

seven (7) business days in advance of the learning activity. We will not accept walk-in or late registrants on the day of the learning activity.

To register, please visit the event website: <https://dh.cloud-cme.com>. For registration questions, please call (603) 653-1234 or email [clpd.support@hitchcock.org](mailto:clpd.support@hitchcock.org).

If you need to cancel your registration, please call (603) 653-1234 or email [clpd.support@hitchcock.org](mailto:clpd.support@hitchcock.org). Cancellations should be made five (5) business days in advance of the learning activity.

## ACCREDITATION

Dartmouth Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Dartmouth Health designates this live activity for a maximum of *4.0 AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Dartmouth Health Nursing Continuing Education Council is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

This educational activity carries 4.0 contact hour(s).

3.5 hours are approved for education in pharmacology for APRNs.

This learning activity meets the NH state requirement for opioid prescribing.

## FACULTY

**Kathleen Broglio, DNP, ANP-BC, ACHPN, CPE, FPCN, FAANP**

Kathleen Broglio is an Associate Professor of Medicine at the Geisel School of Medicine at Dartmouth College and a Nurse Practitioner in Palliative at Medicine Dartmouth Hitchcock Medical Center. She has researched the prevalence of opioid misuse risk in oncology, cannabis use in palliative medicine, telehealth during COVID-19, and interprofessional palliative care education. Kathleen works with patients with complex pain and symptom management needs and substance use disorders. She mentors colleagues, lectures, and has published on treating pain in the setting of risks for substance use disorder. Her experience includes acute and chronic pain management; and acute, ambulatory, and home-based palliative care.

## AGENDA

7:30 – 8:00 am	Registration and Continental Breakfast (provided)
8:00 – 8:15 am	Welcome and Course Overview
8:15 – 9:15 am	Universal Precautions for Opioid Prescribing
9:15 – 9:45 am	Buprenorphine Pharmacology and Formulations
9:45 – 10:15 am	Case studies and Discussion Group Breakout Sessions
10:15 – 10:30 am	Break
10:30 – 10:45 am	Harm Reduction Discussion: Trauma-Informed Care
10:45 – 11:00 am	High Dose Buprenorphine for Pain and Opioid Use Disorder
11:00 am – 12:00 pm	Case studies & discussion: Buprenorphine for Co-morbid Pain and Opioid Use Disorder; Acute Pain Management in Patients on Buprenorphine Group Breakout Sessions
12:00 – 12:15 pm	Group Reflections on Learning

**REGISTER ONLINE:** <https://dh.cloud-cme.com>
