

# Topics in Psychiatry: Presented by Dartmouth Health Department of Psychiatry's Nurse Practitioners

**Monday, September 25, 2023**

Registration: 7:30 am – 8:00 am

Conference: 8:00 am – 4:15 pm

Auditoria E and F, Dartmouth Hitchcock Medical Center, Lebanon, NH

## OVERVIEW

This program is designed to support attendees in their efforts to enhance their knowledge, skills, and abilities in providing evidence-based care to patients with psychiatric diagnoses in any practice setting. We will address best practices to help ensure the mental health of our patients, our colleagues, and ourselves. Throughout the day, speakers will address issues of inclusion, healthcare equity, and strategies for addressing the barriers to rapid access for psychiatric services.

## LEARNING OUTCOME

At the conclusion of this learning activity, (at least 75% of) attendees will be able to discuss at least three examples of best practice in the care of patients with psychiatric diagnoses.

## WE WILL ADDRESS THE FOLLOWING TOPICS:

- Crises in our mental health system, including access to care and legal issues
- Psychiatric issues across the lifespan: in children, during the perinatal period, and throughout the aging process
- Preventative psychiatry, the trauma response, and substance use disorders
- Appropriately assessing for risk of harm to self or others
- Mental health and wellness

## SPEAKERS

Featuring Dartmouth Health Nurse Practitioner faculty who, with their experience and expertise, will share insights and lead discussions on a broad range of topics in mental health.
