

Welcome

Dear Colleagues,

Caring for patients in Emergency Medicine settings provides its challenges, which are unique in the rural environment. With fewer resources and longer distances to cover we find a greater need and responsibility to provide education for clinicians working in these conditions. We are excited to continue the work of CREST in bringing you the latest medical knowledge from a panel of experts with a passion for teaching quality care.

Please join us Wednesday, November 16th for the 15th Annual CREST Symposium designed to focus on the work of the regional emergency medicine and trauma clinician. We're honored and excited to host keynote speaker, Dr. Marie-Carmelle Elie who will be joining us from the University of Alabama to talk about Palliative Care in the Trauma Patient. As always, we'll be providing a breakfast and lunch from local Upper Valley eateries.

We'll be closely monitoring the COVID-19 numbers and will open up a virtual option if need be.

Evie G. Marcolini, MD, FACEP, FCCM

DartmouthHealth.org

Learning Outcome

At the conclusion of this learning activity, (at least 75% of) participants will be able to discuss cutting-edge evidence-based practice application in the assessment, management, and transfer of emergently ill patients who present for care in emergency departments located in critical access settings.

Registration

Member MD: \$110

Member Non-MD: \$85

Non-Member MD: \$125

Non-Member Non-MD: \$95

Pre-Hospital: \$60

Residents and Full-time Students: \$0

Accreditation

Dartmouth-Hitchcock is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Dartmouth-Hitchcock designates this live activity for a maximum of 5.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Dartmouth-Hitchcock Nursing Continuing Education Council is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

This educational activity carries 5.75 contact hours.

CREST's 15th ANNUAL Northern New England Rural Emergency Services and Trauma Symposium

November 16, 2022 | 8 am - 3:45 pm

Dartmouth Hitchcock Medical Center
Lebanon, NH, Auditoria E&F

Agenda

8:15 - 8:30 am	Welcome and Opening Remarks -Scott W. Rodi, MD, MPH
8:30 - 9:30 am	Palliative Care in the Trauma Patient -Marie-Carmelle Elie, MD, FACEP, FCCM
9:30 - 10:00 am	Emergency Care of the Patient with Severe COPD -Graham Atkins, MBChB
10:00 - 10:15 am	BREAK
10:15 - 10:45 am	Cricothyrotomy -Tom Trimarco, MD & Jordan Gray, MD
10:45 - 11:15 am	Wilderness Pre-Hospital Airway -Jeremiah Linehan
11:30 am - 12:30 pm	Track A: Provider Airway Skills Lab* OR Track B: Lectures (below)
11:30 am - 12:00 pm	Pediatric Burns: Triage and Initial Management -Madonna Gordon, APRN
12:00 pm - 12:30 pm	A is for "Assume Failure" -Debra Goodrum, RN
12:30 - 1:30 pm	LUNCH
1:30 - 2:30 pm	Trauma from a Patient Perspective -Harneet Sethi, MD, FACEP, FAAEM
2:30 - 3:00 pm	More Power, Bigger Vectors, Better Drugs: ED Management of Refractory VF -Patricia Atchinson, DO
3:00 - 3:30 pm	Angioedema -Matthew Roginski, MD, MPH
3:30 - 3:45 pm	Recap, Review, Wrap-Up -Evie Marcolini, MD, FCCM, FACEP

Simulation Training Overview

Airway Skills Lab* - We will provide a small-group hands-on learning opportunity simulating advanced airway skills including fiberoptic intubation, intubation of contaminated airways, and surgical airways. Join us for a 60-minute hands-on learning experience taught by Board Certified Emergency Medicine and Critical Care physicians.

Simulation Training Schedule*

11:30 - 11:50 am - Fiberoptic Intubation

11:50 - 12:10 pm - Intubation of Vomiting/
Contaminated Airways

12:10 - 12:30 pm - Cricothyrotomy Practice

**Space is limited - pre-registration is required*

Planning Committee

Patricia R. Atchinson, DO - Assistant Professor Emergency Medicine, Assistant Professor of Medicine*; Emergency Medicine^

Kara M. Desjardins, MBA - Administrative Director, Department of Emergency Medicine^

Debra A. Goodrum, BSN, CEN - Geriatric Outreach Manager, Emergency Department, Geriatric Surgical Verification Manager^

Rachel E. Gordon, BS - Program Specialist - Emergency Medicine Operations, Department of Emergency Medicine^

Debra P. Hastings, PHD, RN, NPD-BC - Director, Continuing Nursing Education^

Evie G. Marcolini, MD, FACEP, FCCM - Associate Professor Emergency Medicine and Neurology*; Emergency Medicine and Neurocritical Care^

Eric D. Martin, MD - Assistant Professor of Surgery*; Co-Medical Director D-H Emergency Management, Trauma and Acute Care Surgery^

Scott W. Rodi, MD, MPH-FACEP - Associate Professor of Emergency Medicine*, Inaugural Chair for the Department of Emergency Medicine*, Emergency Medicine Regional Medical Director^

^Dartmouth Hitchcock Medical Center, Lebanon, NH

*Geisel School of Medicine at Dartmouth, Hanover, NH

Faculty

Patricia R. Atchinson, DO - Assistant Professor Emergency Medicine, Assistant Professor of Medicine*; Department of Emergency Medicine^

Graham T. Atkins, MBChB - Assistant Professor of Medicine*; Department of Medicine^

Marie-Carmelle Elie, MD, FACEP, FCCM - Endowed Professor and Chair, Department of Emergency Medicine, University of Alabama Birmingham, Heersink School of Medicine

Debra A. Goodrum, RN, BSN, CEN - Geriatric Outreach Manager, Department of Emergency Medicine, Geriatric Surgical Verification Manager^

Madonna Gordon, APRN - Pediatric Surgery^

Jon Jordan Gray, MD - Instructor in Emergency Medicine*; Department of Emergency Medicine^

Jeremiah Linehan, Paramedic - Hanover, NH Fire Department

Matthew A. Roginski, MD, MPH - Assistant Professor of Emergency Medicine, Assistant Professor of Medicine*; Department of Emergency Medicine, Medicine^

Harneet S. Sethi, MD - Instructor in Emergency Medicine*; Department of Emergency Medicine^

Thomas W. Trimarco, MD - Assistant Professor of Emergency Medicine*; Department of Emergency Medicine^
