

Human Trafficking for Healthcare Professionals

Thursday, June 6, 2024

Conference Room B and C, Dartmouth Hitchcock Clinics Nashua, 2300 Southwood Drive, Nashua, NH
Virtual – WebEx
1:00 – 2:00 pm

OVERVIEW

As healthcare professionals, understanding human trafficking as a healthcare concern is crucial due to its increasing prevalence among those under our care. This session will provide an overview of essential aspects of human trafficking and explore the complexities of supporting and caring for trafficked patients. Learners will gain an understanding of red flags of trafficking, screening techniques, appropriate resources for assistance and reporting, and trauma-informed care practices.

LEARNING OBJECTIVE

At the conclusion of this learning activity, participants will be able to:

1. Discuss three ways healthcare professionals can support survivors of human trafficking who seek care in a clinical setting.
