INTERPROFESSIONAL GRAND ROUNDS WEBINAR

GENDER-BASED VIOLENCE

Advocacy and Documentation for Survivors of Gender-Based Violence Presented by WISE

Friday, December 2, 2022
Webex 12:00 – 1:00 pm ~ Log on 11:50 am – 12:00 pm

DESCRIPTION

Gender-Based Violence (GBV) occurs in our communities on a daily basis and can affect anyone. Offering a means of support through trained advocates provides an ongoing connection for survivors and improves the long-term health and safety of our patients. In this session, healthcare professionals will learn about steps to take and resources that are available when providing clinical intervention for this vulnerable population who present in a variety of health care settings for individual care and treatment.

TARGET AUDIENCE

All healthcare professionals and others interested in this topic are welcome.

LEARNING OUTCOME

At the conclusion of the activity, (at least 75% of) participants will be able to describe the role and response of community-based advocates in their work with and support of survivors of gender-based violence.

ACCREDITATION

Dartmouth Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
