

# LATE Goals of Care Training: Advanced Skills using the REMAP Framework

**Tuesday, November 19, 2024**  
**1:00 – 4:00 pm**  
**Virtual – Zoom**

## OVERVIEW

Join us for an interactive, skills-based training in VitalTalk's foundational REMAP course.

We welcome participants of any discipline: nurses, social workers, physicians, associate providers, and others. We encourage clinical teams to train together.

This conference will be offered virtually using the Zoom platform.

## LEARNING OBJECTIVE(S)

At the conclusion of this activity, learners will be able to:

- Describe the steps in the REMAP mnemonic for late goals of care conversations.
- Use the REMAP mnemonic with a patient or surrogate.
- Create an individualized action plan to incorporate REMAP into their practice.

## REGISTRATION

**This event is open to Dartmouth Health organizations.**

We strongly suggest clinicians complete our 3-hour EARLY Goals of Care Training: Foundational Skills using the Serious Illness Conversation Guide (sessions can be found [here](#)) prior to taking this course. This assures that the clinician has essential foundational skills in order to get the most out of this interactive training.

Registration is online and by credit card only. The registration fee is \$100 for Dartmouth Health Physicians and Advanced Practice Providers. All other healthcare professionals, including Medical Students, are paid \$25. Need-based financial scholarships are available. For information, please email [amanda.e.sanchez@hitchcock.org](mailto:amanda.e.sanchez@hitchcock.org).

Registration closes one week prior to the activity date. For registration questions, please call (603) 653-1234 or email [clpd.support@hitchcock.org](mailto:clpd.support@hitchcock.org).

If you need to cancel your registration, please call (603) 653-1234 or email [clpd.support@hitchcock.org](mailto:clpd.support@hitchcock.org).

Cancellations should be made seven (7) business days in advance of the learning activity. See the event website for the refund policy.
