Description

Brenda R. Lind MSN, RN, CAPA, CPAN, CNL recently returned from six months of Peace Corps service as a Nursing Instructor in Uganda, where she taught Medical-Surgical nursing alongside her Ugandan counterparts at Busitema University. While the structure of nursing education is much the same here, the practice environment is not! Adapting to a lower-resourced healthcare environment and learning about how Ugandans rise to their challenges was an amazing experience. Join us as Brenda shares her Uganda teaching experience.

Learning Objective(s)

At the conclusion of this learning activity, participants will be able to:

1. Describe one nurse's lived experience as part of a Peace Corps service trip in Uganda to provide Medical-Surgical nursing education in a lower-resourced healthcare environment.

Accreditation

In support of improving patient care, Dartmouth Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Dartmouth Health designates this live activity for a maximum of 1.0 ANCC contact hour.

Please Note: You must attend at least 80% of the program to receive credit.
