

DH Task Force on Domestic and Sexual Violence and Trafficking

Domestic Violence Awareness Event

The Importance and Impact of Relationship Health for Healthcare Professionals

Friday, November 22, 2024

Livestream via WebEx

8:00 am - 9:30 am

DESCRIPTION

Many Dartmouth Health healthcare professionals are experiencing significant Intimate Partner Violence (IPV) and are unsure how to come to terms with their situation or access support due to stigma, shame, and other barriers, despite all the education they have access to. We focus a lot on the clients/patients we see and not ourselves as humans with the same vulnerability to the same issues. This presentation will review IPV as it relates to healthcare workers and the resources available to them.

TARGET AUDIENCE

All healthcare professionals and others interested in this topic are welcome.

LEARNING OBJECTIVES

At the conclusion of this learning activity, participants will be able to:

1. Discuss three ways IPV can affect healthcare professionals.
2. Describe three ways healthcare professionals that are experiencing IPV can access support and resources available to them.

REGISTRATION

The registration fee is waived.

Advance registration is required for planning purposes. Please make every effort to register seven (7) business days in advance of the learning activity. We will not accept walk-in or late registrants on the day of the learning activity.

To register, please visit the event website: <https://dh.cloud-cme.com/course/courseoverview?P=0&EID=147731>. For registration questions, please call (603) 653-1234 or email clpd.support@hitchcock.org.

If you need to cancel your registration, please call (603) 653-1234 or email clpd.support@hitchcock.org. Cancellations should be made seven (7) business days in advance of the learning activity.

ACCREDITATION

Please see the registration site for accreditation details.
