

## The 2023 – 2024 Trauma Webinar Series Part Four:

### *Massive Transfusion in Traumatically Injured Adults and Children*

## Thursday, December 7, 2023

Webinar Login: 11:50 am – 12:00 pm

Webinar: 12:00 – 1:00 pm

Virtual – WebEx

### OVERVIEW

The need for massive transfusion can occur in patients of any age and may result from traumatic injury. Use of a ratio-based approach is helpful early in the process before laboratory testing becomes available. Available options for laboratory testing include rapid conventional coagulation testing and thromboelastography. Once reliable laboratory data becomes available, the resuscitation can be tailored to a laboratory-guided approach that provides components the patient needs while preventing unnecessary transfusions. In this session, attendees will learn how to recognize massive transfusion and provide evidence-based care for adults and children who require this support.

### LEARNING OUTCOME

At the conclusion of this learning activity, (at least 75% of) participants will be able to discuss best practice in the care of patients in need of massive transfusion due to trauma.

### REGISTRATION

The registration fee is waived. Advance registration is required for planning purposes. Please make every effort to register seven (7) business days in advance of the learning activity. We will not accept walk-in or late registrants on the day of the learning activity.

To register, please visit the event website: <https://dh.cloud-cme.com>. For registration questions, please call (603) 653-1234 or email [clpd.support@hitchcock.org](mailto:clpd.support@hitchcock.org).

If you need to cancel your registration, please call (603) 653-1234 or email [clpd.support@hitchcock.org](mailto:clpd.support@hitchcock.org).

Cancellations should be made seven (7) business days in advance of the learning activity.

### ACCREDITATION

In support of improving patient care, Dartmouth Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Dartmouth Health designates this live activity for a maximum of 1.0 ANCC contact hours.

Other Learners: All other learners may claim general attendance credit. Consult your professional licensing board regarding the applicability and acceptance of general attendance credit for programs certified for credit by organizations accredited by Joint Accreditation for Interprofessional Education.

**Please note:** You must attend 80% of this learning activity to claim the credit.
